Summer Camps & Classes Kick Off in July!

The four-week session of summer dance

Adaptive Force Performing Arts May 2016 Newsletter

Dear AFPA Family,

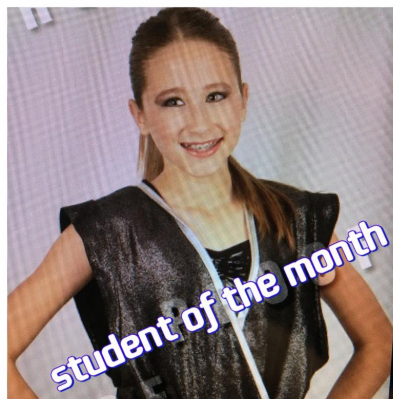

What a "Show of Force!" Thank you parents, families and dancers for helping us make our 5th recital the best one yet. We can't believe another year has gone by. It was a wonderful year and capped off by an amazing recital.

Our Summer Intensives are coming up mid-June, and then Summer Classes and Camps kick off in July. For those kids who are looking for some extra training or for something fun to do this summer, be sure to sign up for our camps and classes. It's also a great time to introduce a friend to Adaptive Force and the world of dance. Plus, it's a cool place to stay cool in the Arizona summer heat!

Wishing you a wonderful summer,

Mike & Amber Wittmers
Proud Owners of AFPA

Congrats A-"MAY"-ZING Students of the Month

Shea Hart - AFPA Academy Dancer

Shea is 12 years old and this is her first year with AFPA. With an extensive background in gymnastics, this year Shea decided to start Hip-Hop. Shea has great musicality and works very hard in class. She always has a smile on and is very friendly to her peers. Shea knows her Hip-Hop dance very well and when she can, takes time to help the other dancers in her class. We are

very proud of Shea's rapid progress this year and happy to have her as a part of our AFPA family!

classes start July 5th.

Our two-week long summer camp starts July 11th. This year's camp theme is "Fairytales & Super Heroes". Camp includes many fun activities, such as arts and crafts, movies, games, snacks....and of course dance!

Call 480.488.1983 to get registered today or [click here](#) for more info!

Coming Soon: Fall Registration

We will be sending out 2016 Fall Registration details in a couple of weeks. Stay tuned for more!

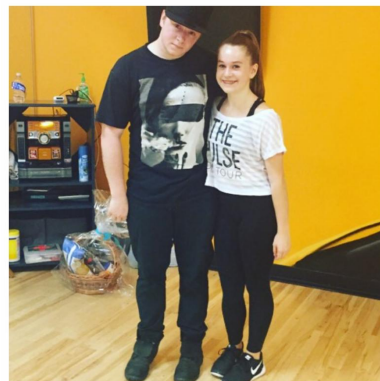

Olivia Bax - AFPA Performance Company Team Member

Olivia is 7 years old and this is her second year at AFPA. As a member of our Spring Force, Olivia is a very animated performer. She has made a lot of progress this year and even took extra classes, beyond her Spring Force requirements. She shows up to the studio every day with a happy face and usually with a good story for her teachers. We are very proud of the little performer Olivia is becoming and are excited to see her on stage at the recital!

Hanna Jacobson - AFPA G-Force Competition Team Member

Hanna is 14 years old and is about to be a Freshman at Notre Dame High School. She has danced at AFPA for three years and is a member of our Teen Company. Over the last three years, we have watched

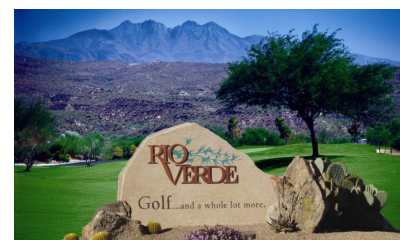

Hanna grow into a confident dancer who works hard at picking up her choreography. Her teachers all really appreciate how she shows up prepared for class, knowing the material that was taught the previous week. We are especially proud of Hanna for always being first to raise her hand and offer to help teach material to her peers when they miss class. She is a great role model for our younger dancers and a

positive presence at the studio every time she steps foot in the building!

Calling All Golfers! The 7th Annual Divots Fore Dancers Golf Tournament To Be Held Sept. 10th

The G-Force Competition Team is holding their 7th annual golf tournament fundraiser on Saturday, September 10 at the Rio Verde Country Club. Because this course is private, not many people have had the opportunity to play this beautiful course.

Not only are we looking for golfers, but we also have many sponsorships available, including hole sponsorships. For more information and to get registered today click the link below. Spots are filling up quickly.
