## Adaptive Force Performing Arts February 2017 Newsletter

Dear AFPA Family,

We are cruising right through the first few months of the year. Time sure flies when you're having fun!

Please be sure to read your emails and the newsletter so that you don't miss out on any updates. From the trip to Disney in the fall and the upcoming master class with Matt Steffanina next weekend to recital planning and closing for spring break, we try to limit our emails and only send messages with the most important details.

Here are two tips from our families on how they keep up to speed on everything:

- One family has an email folder titled AFPA and they save all the emails from AFPA so they can always go back and reference emails as needed.
- Another family prints them all out and has an AFPA binder where they keep all the emails for reference by month/activity.

Talk about organization! We love to hear your tips!

Warmly,

Mike & Amber Wittmers

**ABOUT MATT:**

Matt Steffanina isn't just a dancer, he's a choreographer and entrepreneur dedicated to teaching those willing to get on the floor how to dance like a pro. With over 5M YouTube subscribers and 900M+

views, Matt has made his hip hop routines available for all to learn. In his videos, he tackles moves from today's most popular songs and music videos, and uses skill and experience to add his personal street styles, making the dances his own. Over the years, he's worked with some of the biggest names in music like Snoop Dogg, Chris Brown, and Lil Wayne.

## Woo Hoo To AFPA's February Students Of The Month!

### **Lara Velasquez - AFPA G-Force Dance Company Member**

This is Lara's second year with AFPA and our G-Force Dance Company. Lara is a member of our Mini Comp team and is competing her first solo for AFPA this season. At Open Call Dance Competition, she received a Black Diamond adjudication and 2nd in the Pre-Teen Hip-Hop category.

She placed 3rd Overall in the Pre-Teen category out of 34 dances, and was awarded the "Excellent Precision" specialty award from the judges. Lara works very hard and brings 110% energy to every class she takes. Her teachers love her focus and excitement towards learning and enjoy having her in class every week. We are so happy to have Lara on our team and can't wait to see where her dancing takes her!

### **Logan Perry - AFPA Performance Company Member**

Logan is 10 years old and has been with AFPA since 2014. This is Logan's first season as a part of our Performance Company. She is on our Friction Force and is well-liked by all her teammates.

The best part about Logan's commitment to dance is that when she has a goal, she tells her teachers and asks for their help to get her there. She begins and ends every class with a smile. We are so proud of all

the progress Logan has made this season and can't wait to see her in recital!

### **JD Speciale - AFPA Academy Dancer**

JD is 11 years old and has been dancing with AFPA for over 3 years. He is in our Boys Hip-Hop program and has progressed tremendously this year. On March 2nd, JD performed at the Phoenix Suns Pre-game show with other AFPA Hip-Hop students and did a great job.

According to Mr. Ika, JD comes to class focused and ready to take on new challenges in any Hip-Hop style thrown at him. JD remembers choreography very well and works hard to get it right.

We are so proud to call JD a part of our AFPA family and hope that he continues on this great Hip-Hop path!
