

I have read the AFPA Policies & Conduct, Tuition/Calendar/Attendance, and Photo/Video/Internet forms. If I would like a copy of these forms, I have been made aware that they are available on the Adaptive Force website and I may print a copy at any time. I have also been made aware that, if I have any questions about these forms, they are available at the studio for me to review, at any time.

I have been given a copy the AFPA Holiday dates and **understand exactly when recital week is**, so I can put the dates on my calendar at home.
