

# JUNE 2017

## NEWSLETTER

### Fall Registration Begins Soon...

Yes! It may seem  
a little crazy to  
think about while  
you're likely still  
unpacking dance  
bags from recital.

But, believe it or  
not, fall  
registration is  
just around the  
corner.

Keep an eye out  
for a "Fall  
Registration  
Email" coming in  
the next month.

### Adaptive Force Performing Arts May/June 2017 Newsletter

Dear AFPA Family,

It's officially summer. We don't need the thermometer to tell us it's heating up. We just look at the line up of amazing guest teachers at our 2017 Summer Intensives beginning next week and know it's going to be a HOT one! Check out more details below and register today.

Last weekend we closed the curtain on our 6th Annual Recital and it was our best one yet! From the dancing duel between Mr. Mike and Mr. Ika and the first ever Daddy Daughter Dance to beautiful solos from our senior dancers and the cutest performances by our Kinder and Petites classes, we could not be more proud of the progress all our dancers have made over the last year.

That said, having a successful dance season would not be possible without our dedicated dancers, supportive families, talented teachers and hard-working employees at Adaptive Force. We truly are a bunch of "Dancing Fools", but we wouldn't have it any other way!

Warmly,

Mike & Amber Wittmers  
Proud Owners of AFPA

**Congrats AFPA May Students Of The Month!**

### **Karys Doan - AFPA G-Force Dance Company**

Karys has been dancing with AFPA for three years and is a member of our Junior Competition Team. Karys is anything and everything we could ask for in a team player. She works hard in every class and practices her dances. She performs like a professional on stage.

No matter if she's dancing in a competition or acting in a musical, you can tell she was meant to be a performer. The quality in Karys that makes us most happy, is her "team first" mentality. Whether it's in a class at the studio or on stage at a competition, Karys cheers for and supports every dancer on the team. This season, Karys has improved most in hip-hop and contemporary. We are so proud of her and can't wait to see her at Hollywood Connection Nationals in Anaheim.

### **Sheridan Kilgore - AFPA Performance Company Member**

Sheridan has been dancing with AFPA for four years and is currently a member of our Magnetic Force. This year, Sheridan has worked so hard on improving her technique in all of her classes.

During class, she's quiet, focused and determined. In between classes, she always has a smile and is nice to all of her teammates. On stage, Sheridan performs with a smile and happiness that only a dancer with a true love of dance could share. We are so happy that Sheridan is a part of our AFPA family!

### **Nahal Barnard - AFPA Academy Dancer**

This is Nahal's third year at AFPA and next season, he will be joining our Performance Company. Nahal takes Tap, Musical Theater, and Hip-Hop. His teachers are so happy about how well he retains choreography and practices at home.

Every week, Nahal comes in to class ready to learn. Musical Theater is one of his favorite classes because he loves acting and reading scripts. We are so proud of all Nahal's accomplishments this season and can't wait to see him as a new member of our Performance Company!

**AFPA's G-Force Team Performs For Residents at Vista Del Rio Retirement Community.**

Last month, the AFPA G-Force Competition Team performed some of their favorite competition routines for the residents of Vista Del Rio retirement community in Peoria.

Taking time to give back is important to the team and what could be better than sharing their talent and passion for performing with seniors in the Valley? Not only did the residents ask AFPA to come back and perform again, the team also expressed they had a "warm and fuzzy feeling" after performing for the residents.

Needless to say, it was a mutually heartwarming experience. We look forward to performing in the community more in our 2017-2018 season. Here are a few photos from the performances:
