PLEASE READ, REVIEW, INITIAL AND SIGN BELOW

_____ There is to be no photography or video of any kind, in the auditorium or backstage, during the dress rehearsals or any of the recital performances, May 30-June 2, 2019

_____ Holding up cameras, flip video, cell phones, iPhones, Pads, etc., during the show is distracting to the dancers on stage and to others in the seats around me.

_____ This rule is in place, not because Amber, Mike and the AFPA faculty are mean and controlling people, but because they have my child's safety and well-being in mind – as any positive, trustworthy business should.

_____ I do not want people I don't know taking photos or video of my child in his or her dance costumes and then posting them on the Internet. That is why Adaptive Force Performing Arts goes to great lengths to enforce this rule. It is for my child's safety.

_____ AFPA will have staff in the lighting booth, as well as ushers in the back of the auditorium to help enforce this rule.

_____ Any person violating this rule, will be asked to leave the theater immediately.

I have read the above statements, fully understand and agree to the rules Adaptive Force Performing Arts has put in place. By signing below, I also understand it is my responsibility to inform anyone holding a ticket purchased under my name, of the above information in regards to photography and video during the performances.
